Mr Y Raif 98 Cuffley hill EN7

I object to the proposed plans on the site of 90 Cuffley fairmead. This new site will take away our privacy rights, we will be overlooked into our garden as well as our home. It is also unfair for the wildlife living within the natural space backing onto our property. We are the only house with garden to garden layout the rest proposed properties turned to the side giving more privacy this is unacceptable, I REFUSE THE PROPOSED PLANS.

Kind regards
