## **1. Welcome and Introductions**

The Youth Council introduced themselves and participated in an ice breaker activity.

## **2. Litter Pick**

The Youth Council recently took part in a really successful and well-organised litter pick at Grundy Park. With all the right equipment and safety gear, members collected a large number of bags of rubbish, making a real difference to the park and the community.

During the event, they had some great conversations with people passing by and helped spread the message about keeping public spaces clean.

Overall, it was a fantastic day. Not only did the litter pick show the Youth Council's commitment to helping the community, but it was also a great team-building activity. Members worked together, supported each other, and built stronger connections while doing something positive.
