Dear Sir

RE: RESTORATION OF CHURCH LANE PIT
CHURCH LANE WORMLEY

I note that neither my assistant nor [REDACTED], of the County Planning Department, has received a reply to my letter of 2 April 1986. Whilst they are willing to discuss with you the issue of the restoration of the Church Lane Pit, it appears that you have no such intention.

If I do not hear from you within seven days from the date of this letter, legal action will be taken against you.

Yours faithfully

COUNTY SECRETARY
