Dear Sirs

CONTROL OF POLLUTION ACT 1974 - SECTION 10 APPEAL  
IN RESPECT OF A SITE AT CHURCH LANE WORMLEY

Further to my letter of the 1st May which appears to have crossed with yours of the 15th May (sic) I am now instructed that the deposit of soil is still taking place on this site and there would seem to be little point in doing anything in this matter other than continuing to hold the appeal in abeyance.

It is anticipated that once the work has been completed then Mr. Croke will hand in his licence to the County Council and withdraw his appeal.

Yours faithfully,

COUNTY SECRETARY
