Dear Sir

CONTROL OF POLLUTION ACT 1974 - SECTION 10
APPEAL IN RESPECT OF A SITE AT CHURCH LANE, WORMLEY

Thank you for your letter of 9th March.

I understand that tipping at the site is now virtually completed although there is still some work to be done on the restoration of the site. I can, however, confirm that the County Council remains satisfied that the Appeal should be held in abeyance.

I have sent a copy of this letter to the Appellant's solicitors.

Yours faithfully

W.G. Church
County Secretary

NB This letter written after discussion with Mr Bailes on the 14/3/83. He confirmed that infilling is nearly completed but there is still work to be done on the final restoration.
